**"Palm Leaf" a KALA magazine**

The new issue of Kerala Arts and Literary Association's magazine "Palm Leaf" was published with interesting articles. Palm Leaf has always had a distinguished style and content. The new edition also includes interesting articles. The unique selection of articles is really fascinating. One example is the interview with 5 to 8 year olds on various subjects. Sangeetha

Venugopals selection of questions are interesting and the only ones they can swallow. To maintain the quality and variety of articles in a publication is not an easy task. The team of women editors Geetha Menon, Shantha Krishnamurthy and Lekshmi Krishnan can be proud to publish one of the best publications of the community.
