

Mr Mony Kochupillai
Secretary
Kerala Arts and Literary Association

7th August 2018

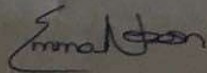

Dear Mr. Kochupillai and
Kerala Arts and Literary Association Members,

Thank you to you and your members for taking part in a sponsored walk on one of the hottest weekends of the year and raising an incredible £1,392.50, including gift aid, in support of our students and day services.

As you know, our day services are an essential service for people with multiple disabilities and we will be soon celebrating twenty years of our Farnborough Day Service. It's a fantastic achievement and it is with support such as yours that has allowed Parity to continue to provide the many opportunities for our students to achieve so much.

Thank you very much for your support.

Kind regards
